***NCCC Commencement Ceremony Participation Protocol:***

Students eligible to participate in commencement ceremonies are those who have met the following requirements:

1. Applicants are encouraged to submit an online graduation application within Banner Web by the published deadline.

2. Students who completed all graduation requirements in the previous Fall, or have applied for Spring or upcoming Summer graduation, are eligible to participate in the Spring ceremony.

Please note that participation in commencement ceremonies or inclusion in the list of graduates on the commencement program does not certify graduation.  Graduation is confirmed only upon receipt of an official transcript and/or diploma.
