

Niagara County Community College
RETURN POLICY REGARDING MILITARY TUITION ASSISTANCE

Niagara County Community College ("NCCC") returns unearned military tuition assistance ("MTA") on a proportional basis as outlined below. A student's official withdrawal date is used to determine the last day of attendance for purposes of computing unearned MTA. Instances when a student stops attending due to a military service obligation, NCCC will work with the student on a solution that will not result in student debt for the returned portion.
