

SUNY NIAGARA

Direct Support Professional, Cert.

Overview

Through classroom study and field experiences, students will learn about the nature and treatment of disabilities. Coursework includes introductory skills in counseling, case management and administering programs in the helping profession. Internships will be experienced in group homes, sheltered work-shops, nursing homes, hospitals, schools, shelters, clinics and rehabilitation centers. Students will develop personal skills needed in the helping role.

Tracks

1. Aging & the Elderly
2. Child & Adolescence
3. Disability Awareness
