

SUNY NIAGARA

Nursing, A.A.S.

Overview

The Nursing program educates individuals who will provide safe, patient-centered holistic nursing care in today's diverse healthcare environment. Graduates are prepared to excel in a variety of settings as SUNY Niagara offers clinical experiences at local hospitals, health care facilities and community agencies. Our curriculum is one of the most competitive programs in Western New York, cultivating future nurses to be some of the most dependable, compassionate, and knowledgeable healthcare providers in our community.
