## ABOUT THE PRESIDENT'S CIRCLE

The President's Circle at SUNY Niagara is an exclusive donor recognition program honoring individuals and organizations whose generosity strengthens the college's mission. With an **annual \$1,000 leadership gift**, members play a pivotal role in supporting scholarships, academic programs, and campus initiatives—directly enriching the student experience and fostering a vibrant, inclusive campus community.

This tradition of leadership giving traces back to 1993, when the late President Gerald L. Miller established the Presidential Partners to engage local leaders, alumni, and community members in meaningful ways. Through this initiative, participants were invited to build relationships with the college president, faculty, and students while contributing to the institution's continued success.

Today, as a President's Circle member, you join a distinguished group of supporters committed to shaping the future of SUNY Niagara. Your philanthropy ensures lasting impact and provides exclusive opportunities to connect with the campus community through special events and activities.
