### THE SPIRIT NEWSPAPER

Have you seen the papers around campus? Visit the website [snspirit.org](http://snspirit.org) to read the latest edition!

As we celebrate a new chapter for SUNY Niagara with the inauguration of Dr. Holmes, we recognize that this moment comes amid challenges and uncertainties. In these times, community matters, and finding spaces for open conversation and support is more important than ever. We invite you to join us for a Diverse Dialogue: **Empowered by Hope & Belonging: Navigating Uncertainty Together**, where we will come together to share our experiences, concerns, and hopes for the future.

We will also have a special guest. Meet Lola, the Therapy Dog! Whether you're feeling stressed, overwhelmed, or just need a little extra encouragement, Lola will be there to offer some much-needed comfort and companionship.

This session will be an opportunity for students, faculty, and staff to connect in a supportive and respectful space. The discussion will be structured in two parts:

**Acknowledging Challenges & Concerns** – attendees will have the chance to share what is causing them stress in the current climate surrounding diversity, equity, and inclusion. This is a space to voice concerns, ask questions, and express how recent events have impacted you.

**Finding Hope & Moving Forward Together** – In the second half, we will shift our focus to hope—exploring ways to navigate challenges, identifying resources available on campus, and discussing actionable steps we can take to foster belonging and support within our community.

**Date:** Monday, April 7<sup>th</sup> **Time:** 12:30 pm – 1:30 pm **Location:** G-244

This session will be a respectful and open discussion where attendees can share how they're feeling, ask questions, and explore ways to support one another. It will also be an opportunity to reflect on what hope means for our campus. Whether you come to listen, speak, or simply be in community with others, your presence is valued. Together, we can build a stronger, more inclusive campus—one where everyone belongs.

Jonathan Bellomo, SPHR, Assistant Director of Human Resources/Interim Chief Diversity and Equity Officer
