Note: -All Graduating Students receive a membership to The American Culinary Federation

-All Graduating Students who complete an AAS Degree become Certified as a Certified Culinarian or a Certified Pastry Culinarian

(Our office assists the graduating students with their paperwork to make sure this process is seamless).

-Job Placement Date is collected through our office of institutional research. Not all alumni complete the outreach surveys.

-Graduation rate and data may be slightly effected/skewed due to students who may take classes in a non-traditional fashion

(Ex. For longer than 2 years /Take a semester off / Take one class per semester etc....)
