### BASIC NEEDS RESOURCES

The SUNY Niagara Basic Needs webpage is designed to help students access essential services and resources. It includes The Pantry, which provides food assistance and is currently undergoing updates, and Annie's Closet, an upcoming initiative to support students with clothing needs. The webpage will also highlight the role of the SUNY Homeless Liaison, shuttle services, the Wellness Center, and various housing and transportation options, ensuring students have the support they need to thrive both academically and personally.

## Public Safety:

As a service-oriented group, the SUNY Niagara Public Safety Department is responsible for assisting in first aid, personal safety, CPR, AED, fire and traffic safety, crime prevention, emergency notification, lectures on various topics, and documenting incidents that occur on campus. SUNY Niagara Public Safety Department officers have the authority to ask persons for identification and to determine whether individuals have lawful business on campus. Officers may detain persons suspected of unlawful activity. They also have the authority to issue parking tickets, which are payable to the Town of Cambria. **Please be sure you are parked in an area that is designated for students. The responsibility of locating a legal parking space rests with the vehicle operator.** Parking tickets will be issued for those who are not in compliance with the parking rules and regulations set forth. The fact that a person parks or observes others parking in violation of any parking regulations without being cited does not mean that the regulation is not in effect. Signs are posted in each lot. Click on PUBLIC SAFETY above for more information on how they can assist you.
