*Beyond SafeZone: Allyship in Action- Creating Safe, Affirming, and Welcoming Spaces for All
an interactive one-hour training designed to foster understanding, inclusion, and belonging for our LGBTQ+ students, faculty, and staff.*

Presented by Niagara Pride, a local nonprofit organization dedicated to serving LGBTQ+ individuals and families, this session combines elements from their Creating Safe and Affirming Spaces, and Allyship 101 trainings.

Participants will:

- Gain a deeper understanding of LGBTQ+ identities, terminology, and experiences
- Explore how harassment and discrimination can occur—and how to effectively address them
- Discover practical strategies for creating safe and affirming environments in classrooms, offices, and community spaces
- Understand what it truly means to be an ally—and how to put Allyship into action every day

This training is open to all students, faculty, and staff and is an important opportunity to strengthen our shared commitment to creating a welcoming and inclusive campus for all identities. We will also have special guest **Lola, the Therapy Dog!**
Jonathan Bellomo, SPHR, Director of Human Resources, Equity and Organizational Development
