Cashier Holds on Accounts with Balances of \$500 or More

As of **October 18, 2025**, Cashier Holds have been placed on student accounts with an outstanding balance of **\$500 or more**. A Cashier Hold prevents you from registering for future classes.

The fastest way to clear your hold is to pay your balance through the **Banner Web Netnet portal** or in person at the **Cashier's Office (Room A-205)**. If financial aid is later applied to your account, a refund will be issued for the overpayment.

You can also meet with Financial Aid to discuss options – like a Parent PLUS loan - that may help bring your balance below \$500 and remove the hold.

If you are enrolled in a payment plan and your remaining balance is still \$500 or more, your account will also have a Cashier Hold. If your payment plan is in good standing, you can contact the Cashier's Office to request that your hold be lifted on the day you plan to register. For help or questions, e-mail the **Cashier's Office** at cashier@niagaracc.suny.edu.
