Important S/U/W/X Fall Deadline – Thursday, December 4th

The deadline to request an S/U/W Grade or Withdraw from the College is Thursday, December 4th.

Withdraw from at least one Class or All Classes – To drop a course and receive a W (withdrawal) grade as a final grade, or to withdraw online from the college and receive “X” grades for **ALL** of your current courses, complete the electronic [Request to Withdraw from Course or College \(All Classes\)](#) form. If you completed any modular courses, you will receive the grade earned, and “W” grades will be applied to all other college coursework.

Satisfactory/Unsatisfactory (S/U) Grades – To elect to receive a final grade of S/U in a course, students must submit the electronic [S/U grade request](#) form which will also require approvals from the course instructor and the student’s advisor. Selecting the S/U option may be beneficial to students in certain circumstances; however, students should be aware of the impact on course loads in future semesters, financial aid/academic standing implications, and the transferability of S/U grades. Both grading options may also impact eligibility for Excelsior. Please contact Financial Aid for questions related to Excelsior.

Mod course deadlines differ – refer to the online [Student Calendar](#) for more information.

If you would like to discuss any of these options, please contact the Student Success Center at 716-614-6290 or email studentsuccess@niagaracc.suny.edu.

If you have any questions about submitting a form, please email records@niagaracc.suny.edu or stop by the Records Office in A-161. Records Office
