Radiologic Technology Quality Point Ranking System

Admission to the Radiologic Technology program is based upon a quality point ranking system. A student must have a minimum program GPA of 2.00 to be considered for the program.

In addition to the program GPA minimum, students will earn additional quality points for the completion of corequisite courses and relevant work completed prior to their application for Radiologic Technology.

Students are ranked from highest to lowest based upon their total number of quality points. Please refer to the quality point chart below.
