S.C.O.P.E.

Solutions for Contract Opportunities using Project Execute

About The Series

This 8 week program helps small business owners break into government and corporate contracting by simplifying a complex process. It provides essential knowledge, practical tools, and step-by-step guidance to overcome common contracting challenges. By program's end, participants gain a strong grasp of procurement processes and improved organizational readiness, positioning them for long-term growth and success in winning and delivering contracts.

Cost

Eight Session Series - \$40
