

SCHOLARSHIP APPLICATION INSTRUCTIONS:

SUNY Niagara has implemented a new scholarships system to better serve applicants!

Students can apply online at:

<https://sunyniagara.academicworks.com/>

The screenshot shows the SUNY Niagara Academic Works website. At the top left is the SUNY NIAGARA logo. At the top right is a 'Sign In' button. Below the logo is a navigation bar with 'Opportunities' selected. The main content area is titled 'All Opportunities' and includes a 'Show Filters' button. A welcome message states: 'Welcome to NCCC Foundation Scholarship Opportunities Homepage. Below you will find a listing of scholarships available to students with brief information about the scholarship qualifications. To apply to scholarships which require an application, you must first sign in with the same user name and password you use to access the campus login portal. You will then have the opportunity to complete a general application and, if applicable, apply for specific scholarships.' There is a search box labeled 'Search by Keyword'. Below the search box is a table of scholarship opportunities:

Award	Name	Actions
Up to \$6,000 per year	Patrick P. Lee Foundation Scholarship to Stem Related fields The Patrick P. Lee Foundation, a private family foundation based in...	
Up to \$750	ACF of Greater Buffalo and NCFI Scholarship The American Culinary Federation of Greater Buffalo with ACF accredited...	

After login, you will be asked to complete a **General Application**. This will be 14 yes or no questions, then you will enter any and all extra-curricular activities and organizations you belong to. After this, you will be asked to submit an essay, and a letter of reference.

Once this **General Application** is submitted, it will be sent to every scholarship you are eligible for!

If any scholarships require additional information (extra essay, letter of reference, short answer questions) you will be notified that you have extra steps required. Then you can then go them one by one, submitting any additional information required for specific scholarships.

***Remember to contact your advisor and register for the upcoming semester before the deadline. Registering for your classes helps connect you with more scholarship opportunities!**

*** If you are selected to receive a scholarship, you will be notified through your student email, and then you will have to login to the system again to accept the award.**

DEADLINE TO SUBMIT FOUNDATION SCHOLARSHIP

APPLICATIONS IS: 4/30/2026!
