

SUNY NIAGARA Business Administration, A.A.S.

Overview

Our homes, food, clothing, vehicles, and leisure activities are the products of the skill, dedication, and creativity of business professionals. Business people must be “world-class competitors” in order to maintain or improve the American standard of living. Graduates in this degree program may pursue business careers in marketing, human resource management, labor relations, production management, office administration, finance, insurance, etc. Graduates may also work in hospitals, government agencies, or schools.

Designed for transfer into a 4-year institution.

Careers

Careers related to your program of study:

- Opportunity for Advancement in a Small Business
- Retail Manager
- Sales Representative

Some careers may require more specialized education.
