What Do You Think About the SUNY Niagara Brand?

In 2022, student input was a key part of the research that led to the 2024 transition from Niagara County Community College to SUNY Niagara. Now, two years after launching the brand, we're taking another look to ensure it still reflects the college accurately—clearly, consistently, and in a way that resonates with our community.

This spring, SUNY Niagara has begun conducting a follow-up study of the brand, and you can help by completing this [short, confidential brand validation survey](#).

It will only take 5–10 minutes, and your feedback will help us understand how the SUNY Niagara brand is being received. Even completing part of the survey is helpful and appreciated. Thank you for helping shape the future of SUNY Niagara. Your opinions truly matter.

Hal Legg, Director of Public Relations and Event Management

Don't Forget...Important S/U/W/X Spring Deadline – Tuesday, April 28

The deadline to request an S/U/W Grade or Withdraw from the College is Tuesday, April 28.

Withdraw from at least one Class or All Classes – To drop a course and receive a W (withdrawal) grade as a final grade, or to withdraw online from the college and receive “X” grades for **ALL** of your current courses, complete the electronic [Request to Withdraw from Course or College \(All Classes\)](#) form. If you completed any modular courses, you will receive the grade earned, and “W” grades will be applied to all other college coursework.

Satisfactory/Unsatisfactory (S/U) Grades – To elect to receive a final grade of S/U in a course, students must submit the electronic [S/U grade request](#) form which will also require approvals from the course instructor and the student's advisor. Selecting the S/U option may be beneficial to students in certain circumstances; however, students should be aware of the impact on course loads in future semesters, financial aid/academic standing implications, and the transferability of S/U grades. Both grading options may also impact eligibility for Excelsior. Please contact Financial Aid for questions related to Excelsior. Mod course deadlines differ – refer to the online [Student Calendar](#) for more information.

If you would like to discuss any of these options, please contact the Student Success Center at 716-614-6290 or email studentsuccess@niagaracc.suny.edu.

If you have any questions about submitting a form, please email records@niagaracc.suny.edu or stop by the Records Office in A-161. Records
