FINANCIAL AID INFORMATION FOR SUMMER 2026

STUDENT LOAN INFORMATION

Student loan payments for Summer 2026 session have an estimated pay date of July 27th and August 6th. You must be taking at least 6 credits for the summer session to be eligible for student loan money. If you take all 6 credits in the first session, please be advised that you must pass all 6 credits in order to receive the student loan payment. If you drop below 6 credits during the summer session, then you are not eligible for any student loan money.

You must be registered and/or passed 6 credits to receive your student loan for the summer session. Please be advised that the amount of loan money that you borrow for summer is deducted from your total loan eligibility for the 2026/2027 academic year.

***Beginning in the 2026-2027 school year, students are no longer able to borrow the maximum loan amounts if not enrolled full time. If you are enrolled for less than full-time (under 12 credit hours), your student loan will be calculated based on the number of credits you are registered for. If you plan to attend less than full-time, your loan eligibility will be lower than the standard annual amount. ***

PELL Grant

Your PELL grant will not be paid to your account until about a week after the end of the entire summer session, which ends on August 24th. Please be advised that you will only be paid for the classes that you pass. For example, if you take 9 credits for summer and only pass 6 credits, then your Pell grant will be paid on the 6 credits.
