

MEAL PLAN FAQ

What you need to know about swipes, points and your ID card.

1 YOUR STUDENT ID IS YOUR MEAL PLAN

- Swipe your Student ID for every meal or purchase.
- **Lost it?** Tell us in G-215 right away so we can suspend the card.
- **Replacing it:** pay the fee (about \$10) at the Cashiers' Office in **A-205**, get a new card from **Security**, then bring it to **G-215** to activate.

2 SWIPES VS. POINTS

- **A meal swipe** = a full meal: entrée + side + drink.
- **Points** (dining dollars / N-Tripp dollars) work like cash for smaller buys — just a drink, just chips.
- Points work in **vending machines**: swipe your ID like a credit card, then pick your item.
- **Not a full meal? Use points** and save the swipe.

3 WHERE THEY WORK

- **Dining Commons** (the main cafeteria) and the **Learning Commons Café**
- **NFCI**: Savor and the bakery, La Patisserie
- Menus: sunyniagara.edu/dining — scroll to the bottom of the page.

4 HOW SWIPES ROLL OVER

- **No weekly limit.** "Meals per week" is just a guide — use more one week, fewer the next.
- Run out and they're gone, so pace yourself.
- Leftover swipes from **fall carry into spring**.
- **End of spring: use it or lose it.** Plans run by academic year.

5 BALANCES & ADDING MONEY

- **Check your balance** with a dining cashier or with us in **G-215**.
- **Add money** with financial aid before the cutoff date, or out of pocket in G-215.
- Bring your **Student ID** and fill out a short application.
